

A Pig Feed range for all stages of production

The AFGRI Pig Feed range offers a scientifically formulated, comprehensive range tailored for today's modern pigs. It fulfills their nutritional needs across all production phases.

Scientifically formulated to stimulate growth and development at each stage, our feed is irresistibly palatable, ensuring maximum intake.

Moreover, this range is formulated with highly digestible proteins, further enhancing its nutritional value and meeting the nutritional requirements of pigs at all stages of production from creep feeding through to finishing.

COMPOSITION

AFGRI Pig	Creep & Weaner	Grower	Finisher	Dry Sow & Boar	Lactating Sow
Reg. number	V4955	V4655	V5004	V708	V4650
Product code	S2330	S2331	S2332	S2333	S2334

FEEDING INSTRUCTIONS

Age (weeks)	3 - 10	11 - 16	16 - 21	Pregnant sows & Boars
